

# TECHNICAL SPECIFICATIONS FOR PRINTED BOOTH WALLS

## GENERAL INFORMATION

We kindly ask you to provide a print-ready full-size pdf-file with **10 mm bleed**. The images inserted in your graphic design should have at least 180 dpi (scale 1/1).

Your print-ready pdf-file should reach us by 3 September 2024 at the latest. Until 3 September 2024, prices are included in the stand price. Afterwards, an additional cost will be charged according to the delay:

○ €80 after 03/09/2024

○ €150 after 10/09/2024

## MINI-STAND 4 M<sup>2</sup>
